

REMARKS

1. Applicant has appended hereto proposed new formal drawings.
2. Applicant has amended claim 1 to address the objection thereto. The Examiner has indicated that claims contain allowable material.

In light of the above amendments and remarks, Applicant now asserts that all of the grounds for rejection have been traversed or overcome by amendment, and that all of the present claims are in condition for immediate allowance. Applicant therefore requests reconsideration of the objections and rejections, and solicits allowance of the present claims at an early date.

Thank you for your consideration.

Respectfully submitted,
